ADMISSION – JULY 2022

Programmes Exclusively for Students of Chartered Accountancy

- ❖ **B.Com with Major in Accountancy & Finance (A&F)**
- ❖ **M. Com with Major in Finance & Taxation (F & T)**

IGNOU in collaboration with the Institute of Chartered Accountants of India (ICAI) launched specialised Commerce Programmes **exclusively** for the students pursuing the Chartered Accountancy. The Scheme facilitates the students of CA to obtain the B.Com (A&F) / M.Com (F&T) Degree in a shorter duration by including the period of study at ICAI. Once the student passes the specified courses from IGNOU, the credit transfer is given to the courses completed from ICAI.

B.Com (A&F): Students who have already **passed CA Intermediate / IPCC Course** before joining the IGNOU can obtain the Degree in a **minimum period of one year** with the condition that the total period including one year at IGNOU should not be less than three years from the date of registration in Intermediate/ IPCC.

M.Com (F&T): Students can complete the Programme in 2 years including the period of study at ICAI. Students, who have already **passed Chartered Accountancy Final**, can complete the Degree within a **minimum period of one year** subject to minimum of two years from completion of graduation.
